WHAT IS NEW AT OUR SUMMER SHOW

New classes: Because of the vast varieties of hydrangeas we have decided to divide them into four classes.

1. Single stem Mophead Hydrangea
2. Single Stem Lace-Cap Hydrangea
3. Single Stem Panicle Hydrangea (including h paniculata, h queicifolia)
4. Single Stem Any Other Hydrangea

Floral Art: Our trial of combining the open and intermediate classes together to create a general section has worked out very well and we will continue with this format. We will still have a novice section for exhibitors who have not won more than three champions in floral art. The people's choice voting will also continue.

Nathan's class: Our Nathan Barwick has kindly offered to sponsor a separate award for this show. A prize will be given to celebrate a stand-out flower. This flower may not be perfect but it's beauty and gracefulness stands out.

Notes For Exhibitors

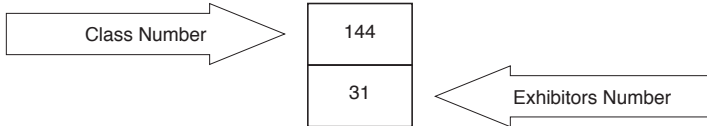

Exhibits can be entered 2pm to 7pm Friday and 8am to 10am Saturday

There are stewards present in the hall to assist if needed

Bottles for staging exhibits are available at the hall

All flower exhibits and pot plants must be grown by the exhibitor for a period of at least 6 months (Floral Art exhibits are exempt)

When entering the hall with exhibits please see the registrar for an exhibitor's number and guidance.

Write the class number and exhibitor number on your label as shown above and display it on your exhibit.

Please collect your exhibits on the Sunday after show finishes at 3pm.

Prize collection from 2.30pm in the tea room.
